

## EPISODE 1 PHYSICAL DEATH

Paradoxically, one of evolution's primary driving forces is death. What happens to us when we die, and what is death's role in nature?

## EPISODE 2 LIFE AFTER DEATH

Over 90 % of Earth's population believe in a life after death. Why is that, and how do people around the world act to ensure a good afterlife?

## EPISODE 3 CREATIVE POWER OF DEATH

Death makes us creative. From slapstick entertainment to the fine arts, death has a prominent place. Without it we'd probably be bored to death.

## EPISODE 5 POLITICS OF DEATH

Death has major practical and symbolical impact on politics. Is there an ideal life expectancy for a society to function. And what happens when one person's death becomes more important than another's?

## EPISODE 4 MARKET OF DEATH

Death is a source of income. From the weapon industry, religious talismans to psychotherapists - the opportunities of making money from death are larger than ever. Which offers exist and what needs do they meet?
